COUNCIL OF DIPLOMATS – OFFICIAL ACADEMIC BROCHURE

About Us

The Council of Diplomats is a **premier training initiative** dedicated to shaping articulate, informed, and globally aware young delegates. Our program is designed for students who aim to excel in Model United Nations, public speaking, negotiation, and international affairs. Through expert mentorship, structured curriculum design, and a supportive learning environment, we nurture the next generation of diplomatic thinkers and leaders.

What We Teach

- **MUN Procedures & Protocols** – Comprehensive training in committee flow, points, motions, documentation, and structured diplomacy.
- **Research & Analytical Skills** – Techniques for evidence-based argumentation, geopolitical understanding, and policy-oriented thinking.
- **Public Speaking & Rhetoric** – Development of clarity, persuasion, composure, and strategic communication.
- **Professional Writing** – Mastery of position papers, directives, structured speeches, and resolution drafting.
- **Global Affairs & Governance** – Insight into international relations, global conflicts, humanitarian frameworks, and real-world UN functioning.

What You Receive

- **Expert-Curated Resources** – High-quality reading material, articles, and recommended books selected by senior mentors for deep conceptual clarity.
- **Well-Structured Learning Modules** – Each resource is crafted to enhance subject comprehension, analytical sharpness, and committee-specific preparation.
- **Three Academic Sessions per Week** – Divided across specialized modules such as UNHRC, UNSC, and either UNGA or AIPPM, depending on the student's chosen path.
- **One-to-One Mentorship** – Dedicated mentor support for doubt clarification, performance review, and individualized guidance.
- **Flexible Scheduling** – Session timings are set according to collective student availability, ensuring a comfortable and productive learning environment.

How We Work

Our academic framework is built to provide both foundational excellence and specialized committee expertise:

- Students interested in **AIPPM** receive focused training in Indian political systems, parliamentary conduct, constitutional interpretation, and policy evaluation.
- Students choosing **UNHRC** or **UNSC** receive in-depth exposure to humanitarian mandates, crisis responses, global security challenges, and diplomatic negotiation.

WHY CHOOSE US?

- **Personalized Specialization Tracks** – Select your preferred committee and undergo focused, expert-guided training tailored to its requirements.
- **Committee-Specific Mastery** – Delegates receive advanced resources, strategic insights, and targeted practice aligned with their chosen domain.
- **Adaptive Mentorship** – Our mentors provide individualized feedback, growth strategies, and performance monitoring to encourage continuous improvement.
- **Quality-Driven Curriculum** – Every element of our program is meticulously designed to foster academic rigor, diplomatic maturity, and intellectual confidence..
- **Council of Diplomats MUN Conference** – Graduates gain direct placement into our exclusive end-of-program Model United Nations.

CERTIFICATION

At the completion of the program, students receive:

- A **Beginner-Level MUN** Certification verifying successful completion of the core curriculum.
- A **Specialization Certificate** aligned with the committee they trained for.
- A **Certificate of Appreciation** awarded based on performance, commitment, and excellence.
